Cheese Blend Powder

Augason Farms™ Cheese Blend Powder is used for the creamiest sauces, soups and spreads.

Hot Cheese Dip

1 cup Augason Farms™ Cheese Blend Powder
 1/2 to 1 cup hot water, depending on amount of tomatoes used
 14.5 to 29 oz. can diced or stewed tomatoes with juice – chopped
 1/4 cup Augason Farms™ Dehydrated Chopped Onions - rehydrated
 4 oz. can diced green chilies
 In heavy-bottomed saucepan, combine all ingredients except for water. Mix well to remove lumps, adding hot water, a little at a time, until desired consistency is attained. Cook on medium heat, stirring until mixture thickens. More liquid or cheese powder may be added to achieve desired consistency. Reduce heat or transfer to double boiler, crockpot, or fondue server to allow flavors to blend and to keep warm without scorching. Serve with mini tacos, Taquitos, or your favorite tortilla chips.
