Important Safety Information

- *Please read all instructions carefully before assembling this product.*
- *Where applicable, and for your safety, assembly by an adult is strongly recommended.*
- *Use only vendor-supplied hardware to assemble this item. Using unauthorized hardware could jeopardize the structural integrity of the item.*
- *Hardware may loosen overtime. Periodically check that all connections are tight.*

Before Assembly

- *Remove all parts and hardware from the box. Place all items on a carpeted or scratch-free work surface, as this will avoid damaging parts during assembly.*
- *The shipping box can provide an ideal work surface if none is available.*
- *Use the components and hardware lists below to identify, inventory and separate each of the hardware and components included.*
- *To avoid accidentally discarding small components or hardware, do not dispose of any packaging or contents of the shipping carton until assembly is complete.*
- **DO NOT USE** power tools unless it is explicitly identified in this manual as required for use during assembly. Power tools can damage the fasteners, hardware and/or components.
- *Do not fully tighten all fasteners / screws until all parts are in place. Failure to follow these instructions may cause the fasteners / screws to misalign during assembly.*

Care & Use

- *Use a soft, clean cloth that will not scratch the surface when cleaning.*
- *Dust often and use a vacuum cleaner crevice tool to clean between seams.*
- *Keep furniture at least 60cm/2ft from heat sources to avoid damage.*

Step 1 – Step 5

Step 1

Slide the Pole Stand (B) into the Base (A). Align holes and insert M8x60 Bolt (AA), Washer (BB) into the corresponding holes and tighten Nut (CC) and Bolt (AA) with Wrench and Allen Wrench. Make sure bolts are tight. Then put the Nut Cap on (DD).

Step 2

Open the locking carabiners by turning the locking bolt. See step 1. Hang the Spring (EE) to the pole stand (B) using the carabiner, while attaching the opposited end to the loop on the chair frame (C) as shown in step 2. Close and lock both top and bottom carabiner as shown in step 3.

Step 3

Make sure you have fully tightened the carabiners. You can use the wrench to tighten the lock. Open either carbiner on the bottom of the frame and place it thru the ring on the base as shown. Re-attach carbiner to leash strap and lock securely by hand.

Step 4

Place the back cushion and seat cushion on the frame.

Step 5

Please make sure the chair seat is right ahead of the hanging pole before sitting. Do not cause chair to swing outside base area.
