Care & Use Instructions

- Always grind in a clockwise direction and protect your grinders from moisture as well as intense sunlight.
- Use a cotton swab, damp cloth or thin scrub brush to remove any residue.
- Wipe and dry thoroughly. Soaking is not recommended.
- Be careful of scratching the grinder with sharp objects or surface friction.
- Open the top by pulling the half part of each grinder and fill with coarse salt & peppercorns.
- Always take care not to over tighten as this can cause damage to the grinder body.
- Adding a drop of cooking oil to the thread of the metal spindle where it meets the wooden top will help to keep the top and thread in good working order.

Storage Instructions

- Keep away from heat and sunlight and store in a well-ventilated location.
- Do not store in overly dry or damp environments. Store in a cool and dry location.
