Important Safety Information

- *Please read all instructions carefully before assembling this product.*
- *Where applicable, and for your safety, assembly by an adult is strongly recommended.*
- *Use only vendor-supplied hardware to assemble this item. Using unauthorized hardware could jeopardize the structural integrity of the item.*
- *Hardware may loosen overtime. Periodically check that all connections are tight.*

Before Assembly

- *Remove all parts and hardware from the box. Place all items on a carpeted or scratch-free work surface, as this will avoid damaging parts during assembly.*
- *The shipping box can provide an ideal work surface if none is available.*
- *Use the components and hardware lists below to identify, inventory and separate each of the hardware and components included.*
- *To avoid accidentally discarding small components or hardware, do not dispose of any packaging or contents of the shipping carton until assembly is complete.*
- **DO NOT USE** power tools unless it is explicitly identified in this manual as required for use during assembly. Power tools can damage the fasteners, hardware and/or components.
- *Do not fully tighten all fasteners / screws until all parts are in place. Failure to follow these instructions may cause the fasteners / screws to misalign during assembly.*

Care & Use

- *Use a soft, clean cloth that will not scratch the surface when cleaning.*
