

Find the right product for you.

Whether leaks are light or heavy, Member’s Mark™ Total Protection® has the right product for you or your loved one. Use the chart below to identify the best solution for all types of incontinence.

For women.

IF YOU EXPERIENCE:	TRY THESE:	MORE INFORMATION:
<p>“One minute I’m fine, then all of a sudden I really have to go, day or night.”</p> <p>“I worry about leaks when exercising, sneezing or coughing.”</p>		Choose Member’s Mark™ Total Protection® Maximum Long Pads for the day and Overnight Pads for extra protection when lying down. Our pads stay securely in place in your underwear, and the soft top layer keeps you comfortable as the core locks away liquid.
<p>“It used to be dribbles, but now it’s heavy surges. A pad just doesn’t cut it anymore.”</p> <p>“I need all-around protection.”</p>		Member’s Mark™ Total Protection® Underwear provides all-around protection and breathability, day or night. The soft fabric provides the comfort and feel of real underwear.

For men.

IF YOU EXPERIENCE:	TRY THESE:	MORE INFORMATION:
<p>“I can’t help when I leak. It’s not a lot, but enough to make me uncomfortable.”</p>		Member’s Mark™ Total Protection® Guards for Men stay securely in place in boxer briefs or briefs. The soft top layer keeps you comfortable as the core locks away liquid.
<p>“It used to be dribbles, but now I have heavy surges. I need all around protection.”</p>		Member’s Mark™ Total Protection® Underwear for Men provides all-around protection and breathability, day or night. The soft fabric provides the comfort and feel of real underwear.

For everyone.

IF YOU EXPERIENCE:	TRY THESE:	MORE INFORMATION:
<p>“My loved one has a barrier to getting to the bathroom.”</p> <p>“My spouse just had surgery and can’t make it to the bathroom in time.”</p>		Member’s Mark™ Total Protection® Adjustable Briefs offer closure tabs for easy adjustment. And the wetness indicator line lets you know when it’s time for a change.
<p>“I need an extra layer of protection to keep my bed, chairs and other surfaces dry.”</p>		Member’s Mark™ Total Protection® Underpads offer an extra barrier of protection for a bed, wheelchair, chair or other surface. They’re great secondary protection to be used with other incontinence products.
<p>“I need something to help me or my loved one feel fresh in between changes.”</p>		Member’s Mark™ Total Protection® Washcloths keep you fresh between changes, and the added lotion nourishes the skin.
