Talk to your Sam's Club pharmacist to see how much you could save.

* The Sam's Club Plus Program is not insurance and cannot be combined with any insurance. This program is only available to Sam's Club Plus Members at participating Sam's Club Pharmacy locations. Not available on SamClub.com. Visit SamsClub.com/rxsavings to see the drug price, formulation, strength, and quantity available for Plus Members. Covered drugs may vary. Program prices are limited to a 30 day supply. There will be an additional cost for quantities greater than listed quantity. The Plus Member price is not available if a drug is part of a compounded prescription or for purchases submitted to any health benefit program, pharmacy benefit program, insurer, or state/federal government health care program. Program prices are not available to the general public and do not constitute Sam's Club usual and customary prices. May not combine with other offers. Free drugs are only available at no additional cost to Sam's Plus Members. The Free drug benefit is not available in AZ, CA, or MN. Free drugs available to Sam's Club Plus Member only at select Sam's Club Pharmacy locations. In Arizona, California and Minnesota, drugs listed in the Free drug benefit are available for \$2 for a 30 day supply. Discount savings are based on the dispensing Sam's Club Pharmacy's regular retail cash price. Program pricing is limited to in stock items by select manufacturers of a covered drug at the dispensing pharmacy. Taxes or other fees may apply. Other restrictions apply. Terms subject to change without notice. See SamsClub.com or your local Sam's Club Pharmacy for details.
