

# Sam's Club Pharmacy Updates

Sam's Club Pharmacy cares about your health. If you are self-quarantining, at high-risk, or have tested positive for coronavirus (COVID-19) many clubs are offering services to help you get the medication you need. See below for details.

## Pharmacy hours of operation

Most Sam's Club pharmacies are open 9AM - 7PM Monday through Friday, 9AM - 6PM Saturday and closed on Sunday.\*

We are also offering **early shopping hours** every Tuesday & Thursday from 7am to 9am for seniors and those with disabilities or compromised immune systems. This includes our pharmacy, hearing aid and optical centers. A new **concierge service** will be offered for free during the special shopping hours allowing these members to shop Sam's Club without ever leaving their car. Our pharmacies can provide prescriptions through the concierge service.

\*Call your local club to confirm their hours

**To help us serve as many customers as possible and minimize wait times, we'd appreciate if you would call in any prescription refills at least 24 hours in advance.**

## Services for vulnerable groups

If you are at high-risk for coronavirus (COVID-19) or are self-quarantined or experiencing symptoms, we offer new services to help you get the medication you need. Use our club locator to get your pharmacy's phone number. Then, give them a call to learn which options are currently available in your area. ### Pharmacy Curbside Pick-up

Use our Tire & Battery center lanes for pick up. A pharmacy associate will bring your medications to your car.

### More Options

If you are unable to leave your home, please contact your Sam's Club pharmacy for other options.
