Selectivend Rebate Program

With the purchase of this vending machine, you can buy qualifying items online or In Club and receive a rebate. **Only qualifying item numbers listed below will be honored.** Simply send all product receipts within **6 months** of receiving your vending machine, and you'll get a dollar-for-dollar rebate for what you spent on those products (shipping, sales tax, and deposits are not included. If you purchase products online for a price that includes shipping the in club cost will be rebated in place of the online cost).
