

CARDHOLDER AGREEMENT
IMPORTANT – PLEASE READ CAREFULLY

BE SURE TO PROVIDE THIS CARDHOLDER AGREEMENT TO THE GIFT CARD RECIPIENT.

Terms and Conditions/Definitions for the Mastercard® Gift Card

This Cardholder Agreement (“Agreement”) outlines the terms and conditions under which the Mastercard Gift Card (the “Gift Card”) has been issued to you by The Bancorp Bank, Wilmington, Delaware (the “The Bancorp Bank” or “Issuer”). The Issuer is an FDIC insured member institution. By accepting and using the Gift Card, you agree to be bound by the terms and conditions contained in this Agreement. “Gift Card Account” means the records we maintain to account for the value of claims associated with the Gift Card. “You” and “your” mean the person or persons who receive the Gift Card and are authorized to use it as provided for in this Agreement. “We,” “us,” and “our” mean the Issuer, and our successors, affiliates or assignees. InComm Financial Services, Inc. P.O. Box 826, Fortson, Georgia 31808, is the entity managing the Gift Card program (“Program Manager”). You acknowledge and agree that the value available in the Gift Card Account is limited to the funds that have been loaded into the Gift Card Account on your behalf. You agree to sign the back of the Gift Card immediately upon receipt. The expiration date of the Gift Card is identified on the front of the Gift Card. The Gift Card is a prepaid card. The Gift Card is not connected in any way to any other account. The Gift Card is not a credit card. The Gift Card is not for resale. You will not receive any interest on the funds in the Gift Card Account. The Gift Card is the property of the Issuer and must be surrendered upon demand. The Gift Card is nontransferable and it may be canceled, repossessed, or revoked at any time without prior notice subject to applicable law. All funds associated with the Gift Card shall be held by the Program Manager in an account with the Issuer for your benefit. The Gift Card is not designed for business use, and we may close it if we determine it is being used for business purposes. We may refuse to process any transaction that we believe may violate the terms of this Agreement.

Our business days are Monday through Friday, excluding federal holidays, even if we are open. Any references to “days” found in this Agreement are calendar days unless indicated otherwise.

Write down the Gift Card number and the customer service phone number provided in this Agreement on a separate piece of paper in case the Gift Card is lost, stolen, or destroyed. Keep the paper in a safe place. Please read this Agreement carefully and keep it for future reference.

Activate The Gift Card

The Gift Card is active when it is received. The Gift Card may be used immediately upon its receipt.

Choosing A Personal Identification Number

You will not receive a Personal Identification Number (“PIN”) with the Gift Card. However, you will be prompted to select a PIN while completing your first point of sale (“POS”) transaction at a POS device. The PIN you select can be any 4-digit code. You must use the same PIN for each subsequent PIN-based transaction, unless and until you choose to reset the PIN as described below in “Resetting The PIN”. Avoid using obvious combinations like 1234, 4 identical numbers, your birthday or year.

Resetting The PIN

You have the option to deactivate and reset the current PIN by visiting www.UFanGiftCards.com or calling Cardholder Services at the number on the back of your card. By visiting this website or calling Cardholder Services, you can have the Gift Card’s PIN deactivated. You will be required to provide information about the Gift Card (Gift Card number, expiration date and security code) prior to resetting the PIN. Once the PIN has been reset you may then select a new four digit PIN during your next PIN-based transaction at a POS device.

Authorized Gift Card Users

You are responsible for all authorized transactions initiated and fees incurred by use of the Gift Card. If you permit another person to have access to the Gift Card or Gift Card number, we will treat this as if you have authorized such use and you will be liable for all transactions and fees incurred by those persons. You are wholly responsible for the use of the Gift Card according to the terms and conditions of this Agreement.

Secondary Gift Cardholder

You may not request an additional Gift Card for another person.

By purchasing the Gift Card, you represent and warrant to us that: (i) you are at least 18 years of age (or older if you reside in a state where the majority age is older); (ii) you are a U.S. citizen or legal alien residing in the fifty (50) states of the United States (“U.S.”) or the District of Columbia, and (iii) you received a copy of this Agreement, understand and agree that the terms of the Agreement are binding and must be complied with, and will provide it to the Gift Card recipient and/or user.

By activating, retaining, using or authorizing use of the Gift Card, you represent and warrant to us that: (i) any personal information provided to us in connection with the Gift Card is true, correct and complete; (ii) you received a copy of this Agreement; (iii) you understand and agree that the terms of the Agreement are binding and must be complied with; and (iv) you accept the Agreement and Gift Card.

Cash Access

You may not use the Gift Card to obtain cash from an Automated Teller Machine (“ATM”), Point-of-Sale (“POS”) device, or by any other means. You may not use the Gift Card at an ATM.

Loading The Gift Card

The Gift Card is not reloadable after being loaded at the time of purchase. Personal checks, cashier’s checks, and money orders sent to the Issuer are not an acceptable form of loading. Any checks and money orders sent to the Issuer for loading will be returned unless the full amount may be applied towards a negative balance, in which case the check or money order may or may not be loaded at the discretion of the Issuer.

The maximum dollar value of the Gift Card is printed on the front side of the Gift Card packaging. These are the limits associated with loading the Gift Card:

Transaction Type	Frequency and/or Dollar Limits
Initial Load	One time \$20.00 - \$500.00

For Gift Card balance information, please call the number on the back of your card or visit www.UFanGiftCards.com.

Preauthorized Transfers

The Gift Card Account cannot be used for preauthorized direct debits from merchants, Internet service or other utility service providers. If presented for payment, preauthorized direct debits will be declined and payment to the Merchant or provider will not be made. You are not authorized to provide the combination of the Issuer’s bank routing number and the Gift Card Account number to anyone.

Using The Gift Card/Features

The maximum dollar value of the Gift Card is printed on the front side. These are the maximum amounts that can be spent on the Gift Card:

Transaction Type	Frequency and/or Dollar Limits
Gift Card Purchases (Signature)	No limit to the number of times per day Up to \$500.00 per day*
Gift Card Purchases (PIN)	No limit to the number of times per day Up to \$500.00 per day*

*** Minimum and maximum limits are restricted to the dollar value that has been loaded to the Gift Card Account.**

For Gift Card balance information, please call the number on the back of your card or visit www.UFanGiftCards.com.

You may use the Gift Card to purchase or lease goods or services in the fifty (50) states of the U.S. and the District of Columbia everywhere Debit Mastercard is accepted as long as you do not exceed the available value of the Gift Card Account. The Gift Card may not be used outside the U.S. and the District of Columbia, including Internet and mail or telephone order merchants outside the U.S. and the District of Columbia. Some merchants do not allow cardholders to conduct split transactions where you use the Gift Card as partial payment for goods and services and pay the remainder of the balance with another form of legal tender. If you wish to conduct a split transaction and it is permitted by the merchant, you must tell the merchant to charge only the exact amount of funds available on the Gift Card Account to the Gift Card. You must then arrange to pay the difference using another payment method. Some merchants may require payment for the remaining balance in cash. If you fail to inform the merchant that you would like to complete a split transaction prior to swiping the Gift Card, the Gift Card is likely to be declined.

If you use the Gift Card at an automated fuel dispenser (“pay at the pump”), the transaction may be preauthorized for an amount up to \$100.00 or more. If the Gift Card is declined, even though there are sufficient funds available, you should pay for your purchase inside with the cashier. If you use the Gift Card at a restaurant, a hotel, for a car rental purchase, or for similar purchases, the transaction may be preauthorized for the purchase amount plus up to 20% or more to ensure there are sufficient funds available to cover tips or incidental expenses incurred. A preauthorization will place a “hold” on those available funds until the merchant sends us the final payment amount of your purchase. Once the final payment amount is received, the preauthorized amount on hold will be removed. It may take up to seven (7) days for the hold to be removed. During the hold period, you will not have access to the preauthorized amount.

You do not have the right to stop payment on any purchase or payment transaction originated by use of the Gift Card. If you authorize a transaction and then fail to make the purchase of that item as planned, the approval may result in a hold for that amount of funds for up to thirty (30) days. All transactions relating to car rentals may result in a hold for that amount of funds for up to sixty (60) days.

If you use the 16-digit Gift Card number without presenting the Gift Card (such as for a mail order, telephone, or Internet purchase), the legal effect will be the same as if you had used the Gift Card itself. For security reasons, we may limit the amount or number of transactions you can make on the Gift Card. The Gift Card cannot be redeemed for cash. You may not use the Gift Card for online gambling or any illegal transaction.

Each time you use the Gift Card, you authorize us to reduce the available value of the Gift Card Account by the amount of the transaction and any applicable fees. You are not allowed to exceed the available amount in the Gift Card Account through an individual transaction or a series of transactions. Nevertheless, if a transaction exceeds the available balance of funds on the Gift Card, you shall remain fully liable to us for the amount of the transaction and any fees, if applicable.

Returns and Refunds

If you are entitled to a refund for any reason for goods or services obtained with the Gift Card, you agree to accept credits to the Gift Card for such refunds and agree to the refund policy of that merchant. The Issuer and Program Manager are not responsible for the delivery, quality, safety, legality or any other aspects of goods or services that you purchase from others with a Gift Card. All such disputes must be addressed and handled directly with the merchant from whom those goods or services were provided.

Gift Card Replacement

If you need to replace the Gift Card, please contact the number on the back of your card to request a replacement Gift Card. You will be required to provide personal information which may include the 16-digit Gift Card number, your full name, transaction history, copies of accepted identification, etc.

For information on replacing an expired Gift Card, see the section below labeled “Expiration.”

Expiration

The Gift Card will expire no sooner than five (5) years from the date of purchase. The funds on the Gift Card do not expire. You will not be able to use the Gift Card after the expiration date; however, you may request a replacement Gift Card at no cost to you by following the procedures in the paragraph labeled “Gift Card Replacement.” If you need a replacement Gift Card for any reason other than due to the Gift Card’s expiration, you may request one at any time.

Transactions Made In Foreign Currencies

The Gift Card may only be used within the fifty (50) U.S. states and the District of Columbia.

Receipts

You should get a receipt at the time you make a transaction using the Gift Card. You agree to retain, verify, and reconcile your transactions and receipts.

Gift Card Account Balance/Transaction History

You are responsible for keeping track of the available balance of the Gift Card Account. Merchants generally will not be able to determine the available balance. It's important to know the available balance before making any transaction. You may obtain information about the amount of money remaining in the Gift Card Account by calling the number on the back of your card. This information, along with a sixty (60) day history of Gift Card Account transactions, is also available online at www.UFanGiftCards.com. You also have a right to obtain a sixty (60) day written history of Gift Card Account transactions by calling the number on the back of your card or by writing to Mastercard Gift Card Customer Service, P.O. Box 826, Fortson, GA 31808.

You will not automatically receive paper statements.

Fee Schedule

All fee amounts will be withdrawn from the Gift Card Account and will be assessed as long as there is a remaining balance on the Gift Card Account, except where prohibited by law. Any time the remaining Gift Card Account balance is less than the fee amount being assessed, the balance of the Gift Card Account will be applied to the fee amount resulting in a zero balance on the Gift Card Account.

Activation Fee	\$5.95 at time of purchase
Inactivity Fee	\$3.95 per month, beginning at the 13th month from the last day of Card activity, for each month the Card remains inactive, except where prohibited by law.

Our Liability for Failure To Complete Transactions

If we do not properly complete a transaction from the Gift Card on time or in the correct amount according to our Agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- (1) If through no fault of ours, you do not have enough funds available on the Gift Card to complete the transaction;
- (2) If a merchant refuses to accept the Gift Card;
- (3) If an electronic terminal where you are making a transaction does not operate properly, and you knew about the problem when you initiated the transaction;
- (4) If access to the Gift Card has been blocked after you reported the Gift Card lost or stolen;
- (5) If there is a hold or the funds are subject to legal or administrative process or other encumbrance restricting their use;
- (6) If we have reason to believe the requested transaction is unauthorized;
- (7) If circumstances beyond our control (such as fire, flood, or computer or communication failure) prevent the completion of the transaction, despite reasonable precautions that we have taken; or
- (8) Any other exception stated in our Agreement with you.

Your Liability for Unauthorized Transfers

Contact us at once if you believe the Gift Card has been lost or stolen. Telephoning is the best way to minimize possible losses. If you believe the Gift Card has been lost or stolen, or that someone has transferred or may transfer money from the Gift Card Account without your permission, call the number on the back of your card or visit www.UFanGiftCards.com.

If the Gift Card has been lost or stolen, we will close the Gift Card Account to keep losses down and will send a replacement Gift Card.

Under Mastercard Rules, you will not be held responsible for unauthorized transactions if you used reasonable care in protecting the Gift Card from loss or theft and you promptly reported to us when you knew the Mastercard Gift Card was lost or stolen. Zero Liability does not apply to Mastercard payment cards used for commercial purposes or anonymous prepaid cards (until such time as the identity of the cardholder has been registered with us).

Other Miscellaneous Terms

The Gift Card and your obligations under this Agreement may not be assigned. We may transfer our rights under this Agreement. Use of the Gift Card is subject to all applicable rules and customs of any clearinghouse or other association involved in transactions. We do not waive our rights by delaying or failing to exercise them at any time. If any provision of this Agreement shall be determined to be invalid or unenforceable under any rule, law, or regulation of any governmental agency, local, state, or federal, the validity or enforceability of any other provision of this Agreement shall not be affected. You may cancel this Agreement by returning the Gift Card to us.
